***Allowable Subject Matter***

1. Claim 1-18 are allowed.

The following is an examiner's statement of reasons for allowance:

Prior art does not teach that, each of the at least two elements having a coil shape, the each coil shape having a diameter different than the other coil shapes; and a case for covering said elements having the coil shape, wherein: said case has one or plural opening parts within the range keeping the durability of the body of said case in combination with all limitations recited in independent claims 1 and 7.

Prior art does not teach that, each of the at least two antenna means comprises a coil shape, and wherein each coil shape comprises a diameter different than the other coil shapes; wherein the enclosing means comprises one or more opening means within the range keeping a durability of a body of the enclosing means in combination with all limitations recited in independent claim 13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Ermulu et al (US 6,232,929) and Ando et al. (US 6,373,708) are cited to show an antenna.
